**REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL**

Hanahan High School is home to a diverse population serving the Huger, Wando, Cainhoy, Daniel Island, Tanner Plantation, and Hanahan communities. In collaboration with the School Improvement Council, Hanahan High School's faculty and staff strive to make Hanahan High School the best school in the state. The vision for our school is grounded in our shared conviction of high expectations for all.

We are proud of our many accomplishments including an increase in career-technical completers, improved parent/community involvement, a declining dropout rate, and high AP scores. Our 2006 SAT average is 1060, a fifty-six percent increase over last year. These scores are projected to be above the national average. Our highly successful Renaissance Program recognizes students for academic excellence and role model behavior.

A major area of success in 2005-06 was the Freshman Academy. A direct result of the Academy was a significant decrease in both disciplinary problems and failure rate for ninth graders. In addition, every End-of-Course area experienced a minimum of a five percent increase in passing rate. On the heels of the successful Freshman Academy, faculty and staff spent the 2005-06 school year developing a Tenth Grade Academy Career Pathways Model which will be implemented in the 2006-07 school year.

Our curriculum has been designed to serve our diverse student body. The College Prep program includes a wide variety of Advanced Placement, Honors, and Dual-Credit courses. The Career Technical Education Program offers six on-site career majors. We have expanded the Pre-Engineering curriculum to include five courses. Our award-winning band and Army JROTC programs complement our course offerings. Resource and self-contained student programs are offered for students with special needs.

HHS students excel academically. Scholarships valued at approximately 2.8 million dollars were awarded last year. Twelve graduating seniors were Palmetto Fellows Scholars; one senior was a National Merit finalist, and thirty-one percent of the Class of 2006 received Life Scholarships. Graduating seniors are accepted to prominent colleges and universities.

Hanahan High School has a dedicated, talented staff and faculty. Over seventy percent of our faculty members have earned advanced degrees. Our teachers are student-centered and convey high expectations to all their students. The South Carolina Curriculum Standards form the content curriculum for our classes.

HHS students are very community-oriented, participating in such efforts as blood drives, Meals for Seniors, Kids Voting, Cancer Walks, and tutorial programs. Students may choose to become involved in as many as thirty-five clubs/organizations and may participate in one or more of our twenty-three athletic teams. We are very excited about the bright future of Hanahan High School.

Rodney Thompson, Principal  
Rae Goude, School Improvement Council Chairperson
